This notice is an update of the Material Safety Data Sheets for Wood Dust required by law. Enclosed is a copy of our updated version. Please feel free to post it in your place of business to educate your employees as to the potential effects of wood dust.

If you need any more copies please contact our office at (800) 331-6794, or print them from the link on our website www.shielslumber.com.

We thank you for your business and look forward to continuing our over 120 year old tradition of service.

Thank you and best regards,

Charles F. Shiels & Company, Inc.
